

## DCODE™ TS GRANDE TIME CODE CONCERT SLATE

***Big and Bright!***

***6 ½" LED Display!***

***Sunshine Readable!***

The Denecke DCODE™ TS Grande Time Code Concert Slate reads and displays SMPTE/EBU time code and drop frame status from 1/10 to 10X speed in both forward and reverse.

The TS GRANDE is designed for multi-camera productions, and provides time code synchronization on large scale concert shoots.
